

# ENDURANCE<sup>®</sup>

## Commercial Upright Vacuum Cleaner

The true commercial standard of performance and durability.

- Powerful, energy efficient 7.0 Amp motor.
- Low noise operation (67.4 dB).
- No tools required to access belt, brush roll and fan chamber.
- Durable polycarbonate chassis.
- ABS cover hood.

**2** year warranty on chassis, on-off switch, fan and metal yoke.

### RUGGED CONSTRUCTION

- The 125 CFM open fan design reduces the risk of motor burnouts.
- Rugged twin ball bearing construction for longer brush roll life.
- Ultra tough lexan fan.
- Two exclusive metal cord hooks.

### SUPERIOR CLEANING PERFORMANCE--FAST DEEP CLEANING

- Double helical Dupont<sup>®</sup> nylon bristles arranged to efficiently pick up difficult objects like hair and strings.
- Edge cleaning on both sides gets tough dirt along baseboards.
- 4 position carpet adjustment.
- Ideal for cleaning hotels, restaurants, offices and much more.

### EASY TO OPERATE

- Lightweight.
- Non marking bumper guard protects furniture and walls.
- Large wide rear wheels for easy maneuverability.
- 50' grounded safety yellow line cord.
- On- off switch activated by putting handle into operating position.

### SIMPLE MAINTENANCE

Easy access to belt, brush roll, fan and fan chamber without the use of tools.

- No tools needed for quick service.
- Motor can be replaced by removing only 4 screws.
- No tools required to access belt and brush roll for quick servicing.
- Low cost service.
